Limited Review Report

To
The Board of Directors

We have reviewed the accompanying statement of unaudited financial results of Tata Coffee Ltd (the Company) and its subsidiaries (together the Group) for the quarter ended 30th June 2014, attached herewith, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from the records furnished to us by the management and have not been reviewed by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Engagements to review financial information issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We did not review the financial statements of a subsidiary included in the consolidated quarterly financial results, whose interim financial results reflect total income of Rs. 20646 Lakhs for the quarter ended 30th June 2014 and profit of Rs. 2309 Lakhs for the quarter ended 30th June 2014. These interim financial results and other financial information have been limited reviewed by the other auditor and we have relied on the same. Our opinion on the financial results for the period ended 30th June 2014 to the extent they have been derived from such interim financial results is based solely on the report of the other auditors.

Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying statement of unaudited Consolidated financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Without qualifying our opinion, we draw attention to,

- a) Note no 3 related to change in the method of accounting in respect of extracted trees, by valuing such trees based on management's estimates of net realizable values resulting in profit before tax and profit after tax for the quarter being higher by Rs 530 lakhs and Rs 494 lakhs respectively.
- b) Note no 4 regarding depreciation being provided based on the existing method pending evaluation of estimated useful life as required under schedule II of companies Act 2013.
